

Paul Ward Sensor Giveaway

Terms and Conditions

Prize Details

Cyclops Marine will award one free load sensor to the winner of this competition (suitable to their boat) and 4 branded belts to the first 4 runners up.

Entries must have a specific boat in mind to install their free sensor on. Cyclops Marine reserves the right to select the appropriate sensor for the boat of the winner.

Entry Restrictions

Entrants must be 16 years old or over.

Each person is limited to a single entry – multiple submissions are prevented by the competition form but if this has been circumvented by winners they will be denied prizes and none of their entries will be valid.

Determination of winners

The winner of the load sensor will be the person who guesses the value closest to the maximum forestay load recorded by Paul Ward's data logging system (to the nearest KG) on December 20th 2020. The 4 winners of branded belts will be the 4 individuals who were the 4 next closest to the true value of the maximum forestay load recorded by Paul Ward's data logging system (to the nearest KG) on December 20th 2020.

Only entries in KG will be valid.

In the event of a tie i.e. two or more guesses are exactly correct, or two or more guesses are equidistant from the true value of the maximum load recording Cyclops Marine will randomly select a winner from the two (or more) participants involved.

Winners will be notified by email within 7 days of the closing date and must respond within 14 days of receiving this email to claim their prize. In the initial email to winners Cyclops Marine will ask for delivery addresses, contact information and a picture for use in a social media announcement.

Once this is received Cyclops Marine will ensure that winners receive prizes but reserve the right to delay this until the winner is ratified.

Cyclops Marine will then request images of prizes in use and feedback from winners when they have received and used prizes.

Winners must agree to Cyclops Marine publicising their name and must agree to providing quotes and images for use in promotional material. If they do not agree to this Cyclops Marine reserves the right to award the prize to the next closest entry.

Winners cannot have any professional connection to Cyclops Marine as representatives, resellers, distributors or associates. Entries by familial relations of Cyclops Marine employees will not be considered.

How to enter

To enter, complete the form provided by Cyclops Marine via their website before 11.59 pm on Sunday 7th March 2021.

Only entries submitted through the official online form before 11.59 pm on Sunday 7th March 2021 will be valid.
