

Magic Number Photo/Video Competition Terms and Conditions

Prize Details

Cyclops Marine will award long-sleeved sailing tops to the winner(s).

Our aim is to customise the sailing tops with your boat branding/name on the back. Winners would be required to supply the artwork within one week of confirmation of winning, alternatively the tops will be supplied with Cyclops branding alone.

Cyclops Marine reserves the right to select the winner or winners, based on a subjective judgement of the entry photos and videos. Cyclops Marine reserves the right to award the number of sailing tops it judges to be appropriate to the winner's crew.

Cyclops Marine will ask for delivery addresses, contact information and materials for use in winner announcement materials. Once this is received Cyclops Marine will ensure that winners receive prizes but reserve the right to delay this until the winner is ratified.
